

Kaali Saree mein tu jaise raat Ka noor hai,
Jisey dekh Chaand bhi pareshan ho jaaye tere roop mein vo Surror hai;

Teri aakhon Ki gehrai mein maine Khud Ko har baar Khoya paaya hai,
Maine jab bhi Saansh li hai hawa se jyada kareeb teri khusboo Ko paaya hai;

Teri aankhon Ki gehrai mein Chupi ek duniya hai,
Jahan har Khwaab, har armaan Sach ho jaata hai,

Jab tu Saath hoti hai toh dil Chahta hai ye waqt ruk jaaye Kyunki tere Saath ka pura din bhi tujhe dekhne ke liye kam pad jaata hai;

Jab tu chalti hai tujhe dekhne ke liye hawayein bhi thodi dheere Chalti hain,
Tere saath teri adaon mein kai saari khaash baatein tere saath chalti hain;

Teri Saree, Tere Jhumke kiska bhi chain chura lengi,
Par teri oothon ki laali aur teri Kamar toh logon ki jaan hi le lengi;

Tere Kandhe par sarr rakh teri tere baalon se khelne ka sukoon kahin aur kabhi mil nhi paayega,
Jisne ek baar dekh liya teri saji huyi aankhon mein vo teri kaid se kaise hi bach paayega;

log Kehte hain unhe unke pasandeeda saksh mein noor dikhta hai,
Ab unhe kaun bataya ki mera pasandeeda saksh toh chalta phirta kohinoor dikhta hai;

Meri Subah teri yaadon Se roshan ho jaati hai,
har Shaam teri muskurahat mein kho jaati hai;
Maine jabse tujhe dekha hai Saree mein, mere Khayalon mein bhi tu usi tarah saj-sawar Kar aati hai;

Madam Kehti hain mai Unki tareef nhi kar paata,
Ab unhe kaun Samjhaye itne Khoobsurat roop mein unko dekh mai kuch Kehne ke liye gale se ek bhi sabdh bahar hi nhi nikaal paata;

log sukoon puchte hai mai tera naam batata hun,
Jab tere maathe aur paav ko choomte hain mere ooth usse jyada sukoon mai kahin nhi paata hun aur
jab tu bhar leti hai mujhe apne baahon mein mai us din ki saari pareshani bhul jaata hun;

Jab tu paas ho duniya se mai dur ho jaata hu,
Hota toh tere Saamne hun par teri baaton mein Kho jaata hu;

Tere Saath Ki Khamoshiyan mujhe duniya ke shor se jyada achi lagti hain,
Aapka pata nahi mohtarma par mujhe aap khuda ki banayi huyi sabse pyaari pari lagti hain.
