

Tere sharmaate gaalon ka ye gulaabi rang, mujhe bhaa gaya hai,
Teri zulfon ka kaanon ko chhod, hawa mein udna bhaa gaya hai.
In labon ke haseen hone ka raaz toh khair khuda hi jaane,
Mujhe khabar nahi zamaane ki, par tera chehra bhaa gaya hai.

Tumne dekhi hai uski aankhon ki vo katilana chamak?

Tumne suni hai uski kangan-o ki vo masoom khanak?

Naazil hai us par saari duniya ka husn aur noor,

Tere kaan ki baali, aur uski wo pyaari si jhanak.

Jaise poore aasmaan mein faile chaand ki chamak,

Ise dekh kar toh khud 'Noor' bhi sharmana seekh le,

Tu hanse toh lage sitare zameen par aana seekh le.

Awal awal darje wali haseen ladki hai vo,

Jiske kesho ne makhmal ke mulayam hone par aawaj uthayi,

Jisne samundar ko jhooth saabit

Kiya aur apni aankhon ki gehrai dikhai,

Uske julfon ne hawao se dosti kar li,

Uske othon ne gulab ke laal hone par tohmat lagayi

Apni khusboo se phoolon ka haqq khaa gayi,

Khubsurat itni ki baaki Duniya se khubsurati ka haqq khaa gayi,

Surai Tod di apne husn ki banawat se,

Rang khaa gayi duniya ka apne chehre ki ronak se.

Niyamatein hain duniya mein bahot si,

Par ek chehra hai jo karta hai duniya ko duniya se ek taraf,

Yun hi nhi mai kehta vo behadh haseen hai rakh kar dekhna tum kabhi usko ek taraf aur chaand ko ek taraf.

Chaand khud hi haar maan jaayega ,tum le aana jahan bhar se saari khoobsurati bator kar uska sirf baal sawarte huye muskana tumhari saari mehnat khaak kar jaayega.
