

Anjaan raaste ke ek mod par thehri hui si kahani hai,
bheed ke beech bhi bas uski ek alag nishani hai,
apne hi rang mein lipti ek khamosh si roshni hai,
lagta hai khuda ne fursat mein likhi ye kahani hai.

Wo kameez na zyada na kam uska rang,
jaise waqt ne khud pehle usse poocha ho apna dhang,
seedhi si par aankhon ko rok leti hai,
jaise saadgi bhi kabhi ban jaati ho sabse bada sang.

Uski aankhein, gehri par bilkul shor nahi,
andar kitni baatein hain par koi zor nahi,
palkein jhukti hain toh lagta hai dua ruk gayi,
uthti hain toh dil ke paas rehne ka koi aur chor nahi.

Uske hoth, halki si muskaan ka adaab liye,
jaise lafz kam par ehssaas be hisaab liye,
ek muskurahat mein itni naram si roshni hai,
jaise thakawat ne khud usmein apna jawab liye.

Wo uski poshaq bas seedhi si bilkul uski tarah,
na dikhawa na shor par phir bhi sabse alag raha,
heel ke saath jab chalti hai wo,
toh lagta hai har kadam ne apna ek naya raasta kaha.

Haath mein chhoti si angoothi, aur kalai pe kangan ki chamak ka noor,
halka sa chamak kar deta hai us lamhe ko aur zaroor,
jaise chhoti si cheez bhi keh jaaye bahot kuch chupke se,
khoobsurti sirf chehre mein nahi hoti hoti hai poore wajood mein bharpoor.

Kabhi zulfon ko sambhalti, kabhi nazrein hata leti hai,
kabhi seedha dekh kar khud hi muskura deti hai,
aur jab halki si lehar haath ki hawa mein uthti hai,
toh lagta hai vo apne hisaab se puri kaaynat ko rokk leti hai.

Sach kahun,vo khud mein hi itni roshan nazar aati hai,
ki raat ke sitaron ko bhi thodi sharm aa jaati hai,
chaand bhi sochta hoga aasman ke kone mein kahin,
ki asli chamak toh zameen par chalti phirti dikh jaati hai.

Log kehte hain khoobsurti sirf ek ehsaas hota hai,
par usey dekh kar lagta hai wo vo koi uske jaisa khaash hota hai,
aur agar kabhi poocha jaaye duniya ka haseen manzar,
toh jawab bas itna,
wo choti height waliladki jiska har andaaz ek alag hi jazbaat hota hai.
