

Awaale khayal ka pehla nishaan ho tum,
Khoobsurati ki haseen mishal ho tum.
Kaise bayan karu kis alfaz mein likh du tumhe,
Tere chehre ka raaz likhu ya likh du kamal ho tum.

Chaand bhi sharminda hai teri roshni ke aage,
Sitaare bhi hairan hain teri khubsurati ke aage,
Likh saku tere baare mein puri tarah mere paas vo sabdh nhi,
Aur kar sake teri khubsurati bayan koi apne sabdhon mein Puri kaynaat mein aisa koi shaqsh nhi.

Awal awal hai tujhko banane wale ki kala,
Koi itna khubsurat kaise ho sakta hai bhala,
Chaand bhi thera nhi tere saamne samundar bhi gehra nhi tere saamne,
Tu titliyon se bhi rangeen hai bahot,sona bhi sunehra nhi tere saamne,
Tu mahekti hai phoolon se jyada tu hai haseen haseeno ke usulo se jyada;

Kuch bhi khubsurat nhi duniya mein tujh ko chod kar,
Tujh mein daali gayi hai chamak chaand ko nichod kar,
Nhi mila kabhi koi tujh sa haseen maine dekha hai sab kuch baari baari jod kar

Gumhlo ki khusboo ki mehak ko peeche chod diya,
Tu ne ay haseena phulo ka dil tod diya.
Ye jaadu hai kaunsa ki Teri muskaan ne tute dilon ko jodd diya.

Nhi iss baat par koi sawal nhi,
Teri khubsurati ka koi jawal nhi.
Tu is puri kaynaat mein sabse jyada haseen lagti hai,
ye baat tujhko lagti Kamal nhi.

Aur kab tak likhu tujhe awal awal,
Aur kitna haseen likhu mai,
Vo lafz hi nhi jismein tu pura bayan ho jaaye,
Ab ye shayari mai yahin chod dunga likh ke tujhe 'moujaza' kalam Tod dunga.
