

Ek ladki hai jiski aakhon mein bhi muskaan hai,
Surat toh aisi jisse chaand bhi bechara pareshan hai,
Dikhne mein thodi bholi jaroor hai par nakhre wali hai,
Bachkar rehna isse yaar Puri garam chai ki pyali hai.

Ye timepaas wali mohabbat nhi barfi sa meetha ishq chahti hai,
Sapne bhi khuli aankhon se dekhti hai aur phir usme hi kho jaati hai,
Thodi paagal si hai khud ke gusse ko kabu kar paati nhi hai,
Kabhi chakkar ke yahan girti kabhi wahan girti hai aur jab thik ho toh khud ki tod-phod kar khud ko ek
nayi chot de jaati hai

90's ke gaane usey aaj ke gaano se jyada pasand aate hai,
Khud kaisi bhi haalat mein ho dusro ko samjhane aur motivate karna ka ek anokha talent uske saath
aate hai

Papa ki pari, mummy ka daahina haath
apne ghar ki vo pehchan hai,
Ladki aur dost toh bahot khaash hai vo bas is waqt bechari apni zindagi se thodi pareshan hai
