

Tere gharwalo ne tujhko chupa ke rakha hai duniya se warna jameen par saiyaare ka hona aam nahi,
Nazrein mila le koi jo tumse toh rahe usey pal bhar bhi aaram nahi.

Teri aakhein,

Teri aakhein,

Teri aakhein,

Haaye,

100 samandar ko khaa jaaye teri aakhein,

Teri ungli mein vo sone ka tinka,

Tere kaan mein vo chandi si baali,

Tere haath mein vo sunehra sa bracelet,

Tere hothon par vo halki se laali,

Tujh par sab kuch sawarta hai kaise ,bata tu ye jaadu karta hai kaise.

Teri pyaari aawaj sunn ke jo mehsoosh hua usey sukoon kehte hain,

Aur shayad aap jaise sundar logon ke pyaar mein pagal ho jaane wali bhavnaao ko junoon kehte hain,

Khair tu falak ki bichdi huyi saltanat hai shayad Tera husn lagta is jahan ka nahi,

Ek jhalak jo aankh bhar dekh le tujhko raha vo kahan ka nahi.

Mai duniya walo se kahunga ki ye phool,jhile,pahad sab tumhara hai par vo shaqsh khud mein ek sitara hai,

Aur

Aur phakt chaand ke chamakne se ye duniya roshan nahi kuch uski bhi meharbani hai,tujhe dekh kar lagta hai upar wale ne tujhe khud apne haath se hi sawara hai.
